GOLDEN KNIGHT MASCOT

With the generosity of the 2017-2018 Student Council, we were able to design and purchase a new Golden Knight mascot costume. The new costume was revealed to our student body earlier this fall and has made many appearances at athletic games and other school events. Thank you so much to the 2017-2018 Student Council!

ALUMNI ACHIEVEMENT

Strong alumni support of Marianapolis has long been an integral part of the School's success. Thanks in part to our alumni, the students are developing their technical drawing skills in the new, state-of-the-art Innovation Lab, while others discuss the impact of globalization on trade, and their own lives, in the Business Center. Still others deliver presentations and hone their public speaking skills in their Casimir Seminar.

Your contributions help to ensure the School's ability to provide current and future Golden Knights with an innovative curriculum that is rooted in Catholic education, and gives them the tools they'll need to help shape the future with compassion, creativity, and resolve.

Your support is truly appreciated.
